

From Tao to Tantra to Trinita:

Superconscious Sex

Lecture by Alfonso De Rose

TAO sees sex as a way to move energy and heal your body.

TANTRA sees sex as a way to create communion between two partners.

TRINITA sees sex as a way to heal the body, to create more intimacy, more romanticism, and as a gateway to achieving a higher state of consciousness with God.

Join us for this electric lecture to open your mind and soul to infinite love and passion!
