

It's time to put on your artist's cap!!! The Dallas Love Project is coming to the Dallas Meditation Center on **Saturday, August 24<sup>th</sup>**! Come join us from **2-5 p.m.** as we make beautiful 18"x18" artworks that will show **OUR LOVE** to Dallas and to the world!

Karen Isbell, a member of our sangha and a Chair of the Steering Committee of the Dallas Love Project, will be here to facilitate as you make your art. She will supply the 18"x18" cardstock, along with some awesome quotations about love (in English and Spanish) that you may choose from as the inspiration of your artwork. However, you may choose another love-themed quote of your own to bring with you that day if you like.

The workshop is **FREE**, but love donations received will go straight to the Dallas Love Project!

Your art will be displayed (site TBD) beginning September 21<sup>st</sup>, the International Day of Peace, and will remain up through November 30<sup>th</sup>, the weekend after our city joins in its memorial of President John F. Kennedy.

**NOTE: CHILDREN'S WORKSHOP is on SUNDAY the 25<sup>th</sup>!**

A Children's love art workshop will also be available on SUNDAY, the 26<sup>th</sup> during our main meditation, from 5-7 p.m. Come join us for meditation while the children create their own masterpieces!

Please allow at least 30 minutes to watch the presentation.

### **PLEASE BRING WITH YOU:**

3. Your desire to join with others in a space of peaceful, contemplative creativity!

Together, we will paint our city in the rainbow colors of peace, nonviolence, and **illuminated words of timeless wisdom!!!**
