Wanted: Men With the Guts to Bring Their Head, Heart and Soul.

The Mankind Project South Central Area invites you to attend a FREE Head, Heart and Soul Workshop to experience an evening of personal growth within a contemporary men's group.

Are you a man wanting to connect with other grown up Men? Eager to step into the fullness of who you really are? Ready to stand shoulder to shoulder with empowered men who will welcome, accept and support you fully?

If your answers are yes, then we encourage you to attend our Head, Heart and Soul Circle of Men. You'll join with other contemporary Men for an evening of personal exploration and connection with other men. This FREE workshop goes from 7-9pm.
