Bryan and his Quartz Crystal Bowls

In a mystical tonal alchemy

When: June 13, 2014, 7:30 – 9:00pm

Where: Dallas Meditation Center, 727 S Floyd Rd,
Richardson, TX 75080

Investment: \$25

Details & RSVP: on meetup.com, under group “Infused Energy DFW”

This is a serious and powerful meditation that leads you through a journey into slower brainwave states infused with the tones of quartz crystal bowls, the hum of the Didgeridoo, and isochronic beats. Quartz crystal music holds the vibration of white light which ultimately refracts into the rainbow spectrum and acts directly on our chakras when the bowls are played.

Attendees can sit or lay down during experience.
